

Space 5100 Power Recliner

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With Space Power, upgrade your relaxation with a motorized footrest for the smoothest recline.

Simple yet practical, the Space 5100 Power recliner places comfort at the centre with its welcoming, laid back design. Featuring a contoured backrest cushion with soft padding and minimal stitching detail, this recliner provides the perfect space in which to sit back and relax. With a delicately curved motorized footrest and arms, it also brings a touch of elegance to the living area.
